

## 2019 Quarry Hill Nature Center Summer Nature Camp

### How to be prepared for camp:

- Campers enjoying nature sometimes get dirty or wet. We go outdoors in rain or shine. Dress your camper for the weather, including tennis shoes, rain gear, or lightweight clothing for hot days. Hats are especially helpful for sun and rain protection.
- Shoes may get wet or dirty. Please do not wear flip flops.
- Apply sunscreen and insect repellent, if necessary. (Our parking lot is busy. For safety reasons, please apply at home, not in the parking lot during drop off and pick up.)
- *All campers should bring a water bottle to camp each day. Please refill the bottle with water only.*
- **Snacks are provided at camp.** Typical snacks include pretzels, Goldfish crackers, graham crackers, animal crackers and honeycomb cereal. (Teen snacks vary.) Ingredient lists can be reviewed at the front desk of the Nature Center or requested via email at [quarryhill@qhnc.org](mailto:quarryhill@qhnc.org).

All campers registered before May 20 are guaranteed a camp T-shirt and will receive it on the first day of camp. Campers registered after May 20 will receive t-shirts while supplies last.
